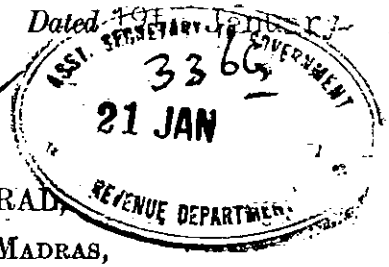
Enclosures.



FROM

THE ACCOUNTANT-GENERAL,
MADRAS,

To

The Secretary to Government,
Revenue Department,
Madras.

SIR,

Subject: Daily allowance and dearness allowance for period of stay at temporary headquarters.

===

The Treasury Officer, South Kanara, has addressed this office for instructions on the admissibility of daily allowance and dearness allowance to the Revenue Divisional Officer, Coondapur and his establishment aksowho are permitted to reside at Mangalore for a period of 2½ or 3 months in each year. A copy of his letter is enclosed for the information of Government.

I propose to issue the following instructions:

Point (i): Daily allowance is admissible only for the first ten days of the halt at Mangalore, i.e., if the stay commenced on 4-7-43, daily allowance is admissible only till 13th July; for the days they actually halted at the temporar headquarters.

Point (ii): If there are changes in the staff, the grant of travelling allowance and daily allowance to the members other than those who first accompanied the Sub Collector may be specially referred to Government for orders on the lines of the decision in para 8 under Madras Travelling Allowance Rule 79 on page 165 of the Madras Audit Manual.

p.t.o

Point (iii): No daily allowance will be admissible for halts on tour at the permanent headquarters during the period of these three months.

Point (iv) As the camp establishment is treated as on tour (tour travelling allowance only being admissible for their journeys to and from the temporary headquarters), the dearness allowance will be admissible to them only at the rates allowed for the permanent headquarters station, viz. Coondapur.

I have the honour to enquire whether Government agree with the views set forth above.

I have the honour to be, Sir,
Your obedient servant,

SA

Assistant Accounts Officer.

Copy of letter No.F.5/1775/43 Accts dated 26-10-43 from the Treasury Officer, South Kanara to the Accountant General, Madras

Resubmitted to the Accountant General, Madras.

2. With reference to G.O.No.1313 Rev. dated 19-12-43 and G.O.No.648 Finance dated 19-7-23 cited under the explanation to rule 50 of the M.T.A. Rules on page 151 of the Audit Manual (item 3), the Collector granted permission to Mr.D.D. Sathe, I.C.S., Sub Collector, Coondapur Division to remain at Mangalore for a period not exceeding 3 months from 4-7-1943, on account of the monsoon. Thus Mangalore was his temporary headquarters with effect from 4-7-1943.

3. I request the favour of early instructions on the following points:

(i) Whether the Sub Collector and his establishment should be paid daily allowance only for the days actually halted by

them

them at the temporary headquarters (Mangalore) during the first ten days calculated from the date on which the temporary headquarters began or whether they may be allowed daily allowance for the first ten days actually halted by them at the temporary headquarters.

(2) In case where there are changes in the personnel of the Sub Collector's Camp clerk and peons on duty at the temporary headquarters (Mangalore) whether each clerk and peon should be paid daily allowance for halts made at the temporary headquarters during the first ten days calculated from the date on which the particular individual first reported himself to duty at the temporary head-quarters or whether they may be paid daily allowance for the first ten days actually halted by them at the temporary headquarters.

(3) Whether the Sub Collector, the camp clerk, and camp peons accompanying him may be paid daily allowance for halts made by them on tour at the permanent headquarters (Coondapur) during theperiod of the three months.

p.t.c

(4) Whether the camp clerk and camp peons on duty at the temporary headquarters may be paid dearness allowance at the rates applicable to the temporary headquarters (Mangalore) during the period of the three months as the rates of dearness allowance applicable to Mangalore (B. area) is higher than that applicable to Coondapur (permanent headquarters - C.Area)

Point (iii) on p2cf. Under rule 39(a) of the Madras Travelling Allowance Rules after a continuous halt of ten days duration, the halting place shall be regarded as the Government Servant's temporary headquarters. Mangalore is classified as B area for purposes of dearness H.R. Rule where as Coondapur belongs to the C. area, ie the rate of dearness allce applicable to Mangalore is higher than that applicable to Coondapur. As Mangalore will be the temporary H.Qrs of the Hon Govt servants concerned in this case it seems that consistent with the view taken in point (iii) above, the staff should be allowed dearness allce at the B. rates so long as their H.Qrs are temporarily

of Mangalore. The A.G. may be informed accordingly

2. The file may be sent to Fin for remarks

2. I think it would be very unreasonable to refuse the benefits which would be extended to an Officer whose Permanent Hdqrs is Mangalore - who might have to tour to Coondapur & to the Sub Collector his staff, who in fact make Mangalore their permanent Hdqrs for 3 months and whose duty takes them to Coondapur on tour If present rules don't permit, I submit that special provision may be made for the case of the Sub Collector

In the circumstances stated by Rev. this department may agree to (1) the grant of daily allowance to the Sub Collector and his staff for periods of halt in their permanent Hd Quarters viz Coondapur during these three months (when Mangalore is their temporary Hdquarters) and (2) the grant of dearness allowance at 'B' class rates to the Staff while they are at Mangalore during the temporary period reported to

Point (iii) of the Govt's letter.

Mangalore is only the temporary Hd during the hot weather and he would have moved to Mangalore only with his Camp equipment. There is no good reason why the Coondapur, his permanent Hd does should be

more expensive to him than when he was staying there permanently. It is very unlikely that the staff members of the staff would have moved their families to Mangalore. Obviously not their duty at Coondapoor could not be more expensive for they will be staying & eating with their families. The A.G. is quite correct in proposing to disallow daily allowance at Coondapoor

Point II of the D.O. letter. The members of the staff are not expected to move their families to Mangalore the temporary H.Q. are. However since the staff is likely to be put to appreciable extra expense during their stay at Mangalore the maximum of dearness allowance at B class rates may perhaps be extended to them. As should act
